

## Your Email Is **albindreycey@gmail.com**

**Pay attention, this is important!** Your email is your login to use *Learn Python 3 The Hard Way*. If it is wrong you will have problems accessing it, viewing receipts, and downloading content.

**If your email is wrong** then just email [help@learncodethehardway.org](mailto:help@learncodethehardway.org) (<mailto:help@learncodethehardway.org>) and ask to have it changed. If you meant to give this to someone else, then just ask to change it to their email, but you can't do this if you've downloaded everything.
